Message from the Mayor

The holiday season is here. The 2023 Wishbook is an A-to-Z guide to local events, activities, and shopping to make your holiday one to remember! Make the time to reflect on the spirit of the season by spending time with one another, attending community events (there are many and something for all interests!), and supporting our local business community in making your holiday preparations. If you buy gifts, prefer to give 'experiences', or have a meal together, please choose local shops, services, artisans, and cafes as your place to go.

May each of you celebrate with your neighbours, family and friends and welcome the spirit of the holidays into your lives. Best wishes for a safe, happy, and healthy 2024.

Mayor Darlene Norman
