SUMMARY

Property Online associates AAN 5054729 with Parcel 70157508, mapped as 1.01 acres on Martin Road at Harmony Mill

The listing cites as a title reference deed 121-152, item 1 page 5. There is also a survey plan, Plan 82987349, page 4, cited on the listing. The description and the plan are reasonably consistent with the mapping except that Property Online give the size of the lot as 1.01 acres, and the description in deed 121-152 gives 0.7 acres.

The cited deed gives title to Lawrence and Mary Zong, apparently as tenants-in-common. Nothing on record accounts for the interest of Mary Zong.

SUMMARY

Property Online associates AAN 04521013 with PID 70020276, mapped as 1.06 acres on White Point Road, Liverpool. The listing cites no title reference. Ownership is attributed to Turner's Used Cars Limited. Searching in that name, we find that Turner's Used Cars Limited is a successor company to T & C Pontiac Buick GMC Ltd. and T. & C. Sales Limited. Deed 104-244, item 2 page 7, conveys to T & C Sales Ltd only a portion of the subject parcel. There is no recorded document that includes a description of the parcel as mapped.

As mapped, the parcel is a consolidation of three lots--a central lot as in deed 104-244 and two others, one to the northeast and one to the southwest. The only title we find for the adjoining lots is deed 103-393, item 1 page 5, into Milford's Garage Limited. There is no conveyance out of Milford's Garage Limited, and Turner's Used Cars is not a successor company.
