We offer private sites but most are open with lots of room between each RV. Every site comes with a picnic table and fire pit! We have 3-way service, open or tree'd sites, and 6 tenting sites. Two tent sites can be equipped with power. We also have 2 RV Rental Units fully equipped with everything you need to camp except bedding, towels & food.

Our season runs from May 15th to October 31st. Living on the road can be trying sometimes, and occasionally you need some pampering. Flush toilets, hot showers, laundry facilities with coin operated washer and dryer are available on site. We offer a convenience store with items such as ice, pop, ice cream, popcorn, and many other items to make your camping fun. We are pet friendly. All animals must be on a leash and please remember to clean up after your fur families.

A gift shop with hoodies, t-shirts, hats, caps, coffee mugs, and much more. Enjoy our dry kitchen to prepare your meals and cook on an outside BBQ if your back packing, tenting or without cooking facilities or enjoy a meal from our Roadside Food & Ice Cream Boat.

Fisherman's Cove RV and Campground is conveniently located a short distance to 3 beautiful beaches. Hunts Point Beach is only a 4 minute walk from the Campground, Summerville Beach is an 8 minute drive away and 5 minutes past Summerville is beautiful Carters Beach. We are only 12 km from Liverpool with all its amenities if you require provisions. For your convenience, taxis from Liverpool will come out to the campground if you phone to pick you up and bring you back when you are finished shopping.
