Listing URL: <https://www.regionofqueens.com/master-directory/accommodations/gateway-campground>

Year-round camping and seasonal RV sites.

Grab your bicycle, four-wheeler, or horse, get directly onto the Brookfield Mines multi-use trail that goes from Caledonia to New Germany, and from there to the Valley, Bridgewater, or Halifax! Enjoy beautiful, spacious tent campsites next to the picturesque Medway River. Each site has its own picnic table and fire pit. 21 km from Kejimikujik National Park.

Gateway Campground has no electric or water hookups. Firewood is available to purchase, generators are available to rent. Fresh water fill and dumping station now available. Wireless internet is available in and near the office building.
