Built for a Schooner Sea Captain, Joseph Corkum, in the late 1800's. A beautiful home right on the Atlantic Ocean. Listen to the surf and smell the sea salt air from the back door.

This 4 bedroom home, newly renovated has 2 1/2 baths, completed in June 2017.

King size bed in main floor bedroom with bay window with seating.

Queen size with private 1/2 bath on 2nd level.

Queen size with a full ensuite.

The back loft features a bedroom ( 23' x 13') off the middle bedroom and is great for the kids, queen size and two twins. The country kitchen is a touch of heritage, original floors, open ceiling, a 7' island with bar stools including a large dining area. (total size 23' x 13')

Main Floor living room with bay window.

Main floor full bath (13' x 9') Stroll the 3 acres, with breathtaking vistas.

On the property is Pentz Cove, launch your kayak and paddle over to Coffin Island and explore the natural coastal habitat.

Less than a 2 minute drive is Beach Meadows Mile Long Sand Beach.

The south facing property allows great sunshine all day long, starting with the amazing sunrise over the ocean.

The Moon glistens across the ocean at your doorstep.

In summer of 2019, our HOME was featured on HGTV SHOW- "On the Beach, Off the Grid". Season 1, Episode 1 - Quite exciting !!!
