

# Hunts Point Beach

Listing URL: <https://www.regionofqueens.com/master-directory/beaches/hunts-point-beach>

For anyone seeking a small, quiet beach, Hunts Point might be the answer.

Park by the side of the road, and take a walk on the white sand beach that has a view of Hunts Point wharf. Though there are no facilities, Summerville Beach is just a stone's throw away.

About nine minutes west of Liverpool, the beach is on Highway 3 in the community of Hunts Point.
