VON is a not-for-profit, national health care organization and registered charity offering innovative community and homecare programs and social services in over 1200 communities at 52 Sites across Canada. We offer a wide range of services and programs - more than 75- everything from in-home nursing to foot care to volunteer visiting to flu clinics to senior's exercise programs. The services we provide depend on the needs of the different communities we serve, and reflect the strengths of the organization.
