Lane's Privateer Inn offers a casual, pub dining experience. Start with an appetizer and move onto a main of Lane's classic fish and chips or the lobster linguine. Of course, there's much more on the menu to choose from. If a lighter fare is what you're looking for, relax in the cafe with a baked good and cup of coffee. On a warm spring, summer, or autumn day, diners can head outside onto the stone patio that overlooks Queens County's gorgeous Mersey River.
