

Liverpool Pizzeria

Listing URL: <https://www.regionofqueens.com/master-directory/food-dining/liverpool-pizzeria>

Main Street's Liverpool Pizzeria serves much more than pizza! If pizza's what you want, there are lots of options for toppings and sizes. If it's something else you're hungry for, there are salads, burgers, and lots of other choices. Don't forget dessert because that's an option, too. Eat inside at one of the many tables or take your meal to go. The licensed restaurant is open every day except Mondays.
