Penny Lane Enterprises (PLE) is the Vocational Services program of Queens Association for Supported Living (QASL). Penny Lane Enterprises offers a range of programs that will meet the many interests and needs of adults with disabilities. Our main goal is to help individuals build the skills necessary to participate fully and confidently in community life (whether it is in supported work, employment, self-employment, education/training, or leisure/recreation).

Penny Lane offers several options from LifeSkills to pre-employment, to vocational training and pre-retirement programs! Our contracts and services include Woodworking, Survey Stakes, Kindling, Garbage boxes, Picnic tables, Wooden Flowers, Furniture repair, Confidential Document Shredding, Promotional buttons, food service kits, just to name a few! If you are looking for a service, give us a call to see, we may be able to help!
