In the quaint community of Mill Village is the Riverbank General Store & Cafe.

Customers can sit and look at the view of the beautiful Medway River while enjoying a freshly brewed Just Us coffee along with one of our deli sandwiches or sweet treat offerings. Be sure to check out our Gift Shop which offers products from local vendors and other social enterprises!

Our meals-to-go freezer is stocked weekly with hearty meals to take home and bake, and our take-and-bake Pizza Fridays is very popular (watch our Facebook page for the pizza offerings each week).

In season, the cafe offers hearty meals for lunches including sandwiches, wraps, soups and salads - it is best to call ahead to see if the cafe is open.

The Riverbank General Store & Café is a social enterprise of QASL which provides meaningful work-skills training and employment as well as a valuable service to the community. The Riverbank is a place of belonging where individual differences are celebrated, talents and abilities nurtured and community valued.
