

Harmony Park

Listing URL: <https://www.regionofqueens.com/master-directory/sport-leisure/harmony-park>

Harmony Park is about 3 kilometres past Caledonia and offers a variety of outdoor recreational opportunities. There are two baseball fields, one of which has a home and visitor dugout. Both fields have bleachers for spectators. There's a skate park, equipped with ramps. The skate park also offers two basketball hoops. For smaller children, there's a play structure and swings. If your idea is to relax with a picnic, there are many tables just for that.
