YOUR LOCAL HOLIDAY GIFT GUIDE

SEEK NATURE'S REWARDS

PRINTED BY DVL PUBLISHING INC.

Message from the Mayor

People celebrate the holiday season in many ways. Whether you are someone who searches for just the right gift, or quietly supports those in need, or uses this time as a special opportunity to spend time with family and friends, supporting your local businesses and organizations helps everyone in Queens County. As you browse through the following pages, you'll find our 2021 Wishbook is full of local gift ideas!

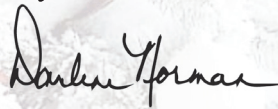

For those that make gift buying a part of your holiday activities, please consider spending your money in Queens County on things like gift cards, tickets to upcoming events, and products and services from our local stores and entrepreneurs.

What strikes me most about the holiday season is the pride businesses, communities, and individuals show by their extraordinary exterior decorating. The single community tree has blossomed into collections of trees, lights, and other adornments in public spaces. The holiday spirit shines brightly in Queens. Once again, the community of Greenfield will have the large handcrafted nutcrackers and dozens of individually decorated trees in the centre of their village. Liverpool's Waterfront, Hank Snow Home Town Museum, and Queens County Museum will also be twinkling with colourful trees sponsored by individuals and businesses as part of Christmas on the Mersey celebrations. There are also numerous community trees and special events throughout Queens; check the events listing for more information.

Communities within Queens are full of anticipation for a festive season that resembles seasons past. May each of you celebrate with your neighbours, family, and friends, and welcome the spirit of the holidays into your lives.

Enjoy the holidays, and best wishes for a safe, happy, and healthy 2022.

Mayor Darlene Norman

7 GREAT REASONS TO SHOP LOCAL THIS HOLIDAY SEASON
(and all the time!)

- **It feels great!** By supporting local, you're supporting a friend, family, neighbour & helping them put food on their table – these are the linkages that build a strong, thriving community.
- **Local businesses give back!** They provide jobs in our community, they invest locally & they generously give donations that support our local fundraisers & events.
- **Reduce environmental impact!** Taking fewer & shorter car journeys for shopping, buying locally made products, or sourcing local ingredients, all reduce our impact on the planet.
- **Encourage an entrepreneur!** Shopping locally creates optimism & encourages others to start a business.
- **Local businesses enrich our community!** There is such a diversity of shops & services in Queens, and they all contribute to our local identity & character – that brings more people to our community.
- **It's an experience!** Instead of travelling to the big box stores or ordering online from a big company, put your winter woollies on & get outside! Walk through our lovely downtown, visit shops & galleries, stop for a local craft beer, meal, coffee or special treat. Make a day of it! Take a scenic drive to explore & discover what all our communities have to offer – seek out those unique shops & hidden gems.
- **Local business are vital to the success of our community!** The past couple of years have been difficult for our small, local businesses. We need local businesses for a healthy, vibrant economy & now more than ever, they need our support. Show you care about Queens!

EASY SHORTBREAD COOKIES

Linda Smith

Memories Cafe

We all love shortbread cookies during the holidays. This is an easy recipe for this traditional cookie that we use at home and the cafe. No need to roll out the dough, which saves time and frustration. Use your imagination for decorating the cookies and make it a fun baking project for kids of all ages!

INGREDIENTS

- 1.5 cups softened butter
- 2 cups all purpose flour
- 1 cup icing sugar
- 1 cup cornstarch
- 1/4 tsp salt

INSTRUCTIONS

1. Combine all ingredients in a glass or plastic mixing bowl (do not use metal). Do not "over work" the dough. Cover and refrigerate for 1 hour.
2. Shape the dough into 1-inch balls. Flatten each ball with a fork or back of spoon and top with sprinkles (or decoration of choice).
3. Bake on a parchment-lined cookie sheet at 300°F for 20 minutes until the bottoms are very lightly browned.
4. Transfer to a paper towel-covered wire rack to cool.
5. Makes about 4 dozen cookies.

Chocolate Snowball Cookies Recipe

Prep Time 15 minutes | Cook Time 10 minutes | Total Time 25 minutes

Ingredients

1 cup (226g) unsalted butter
½ cup (57g) powdered sugar
¼ cup (20g) unsweetened cocoa powder
1 teaspoon vanilla
2 cups (248g) all-purpose flour
½ teaspoon salt
¾ cup mini chocolate chips
Additional powdered sugar

Instructions

Preheat oven to 350°. Line two cookie sheets with parchment paper.

Mix butter, 1/2 cup powdered sugar, cocoa, and vanilla with an electric mixer until fluffy.

Add flour and salt and mix until the dough comes together. Stir in the chocolate chips. If dough is too soft, chill it until you can work it easily with your hands.

Scoop 1 tablespoon balls of dough and place on prepared cookie sheet.

Bake cookies for 7-10 minutes until bottoms are just slightly brown and the tops are no longer glossy. Remove from oven and cool for 5-10 minutes, until you can handle them.

Fill a small bowl with 1 cup powdered sugar and roll each cookie in the sugar until coated. Place on a rack to cool. (Once cookies are cooled, you may want to re-roll them in more powdered sugar.)
