

# Senior Tradesperson- Water Utility / Wastewater Operator

The Region of Queen Engineering & Public Works department is seeking a Senior Tradesperson- Water Utility / Wastewater Operator to join our team.

## About the Role

The position of Water Utility / Wastewater Operator is a hands-on position involving the operation and maintenance of the Region of Queen's water utility and wastewater infrastructure consisting of the South Queens Water Treatment Facility, South Queens Wastewater Treatment Facility, North Queens Wastewater Treatment Facility and Septage Receiving Station.

The incumbent will be responsible, under the supervision of the Assistant Director of Engineering, for the effective and efficient operation of the above mentioned facilities in accordance with their respective operation manuals and the Approvals to Operate.

## Certification

The successful applicant must possess one or more the following levels of Operator Certification recognized and registered with the Nova Scotia Department of Environment:

- Water Treatment Plant Operator Class II
- Wastewater Treatment Plant Operator Class II
- Water Distribution Class II
- Wastewater Collection Class II

## Terms of Employment

Permanent, unionized position

Full time 40hr/week

Wage rate - \$26.99/hr.

The Region of Queens offers a competitive benefits package including Defined Contribution pension plan.

Interested individuals should forward a resume and cover letter to [gchetwynd@regionofqueens.com](mailto:gchetwynd@regionofqueens.com).

Applications will be accepted until position is filled.
