

Region of Queens Municipality  
**COMMUNITY DEVELOPMENT**

**2018 - 2019 COMMUNITY DEVELOPMENT INVESTMENTS**

<b>\$ 50,000</b>	Continue to invest in community festivals, events, facilities, and projects that enhance community pride, local access to social opportunities, and local economic development and tourism.
<b>\$ 1,000</b>	Facilitate the creation of a local committee of cultural and event sponsors, with a goal of developing a Municipal Cultural Policy to support the long term sustainability of culture in our community.
<b>\$5,000</b>	Commit to an annual contribution to Greenfield Recreation Association to support their organization and offering of numerous recreational opportunities for Central Queens that the Municipality is unable to provide otherwise.
<b>NO COST</b>	Support the re-development of Queens Place Emera Centre Advisory Committee Minutes.
<b>TBD</b>	Work with internet service providers to determine the current state of services throughout Queens and develop a plan for the future expansion of broadband to meet federal CRTC requirements.
<b>\$ 215,000</b>	Continuing support for our fire services through investments in the purchase of new vehicles and training initiatives.
<b>\$ 2,500</b>	Work with Region 6 Solid Waste to develop and implement a mobile phone application that will allow residents to learn sorting practices, view collection schedules and provide real-time notifications.
<b>NO COST</b>	Develop a Recreation for All Policy to ensure that recreational opportunities are available to all, regardless of age, income, location, or ability. #recreationforall
<b>NO COST</b>	Complete a review of all municipal grants and funding programs to ensure they are meeting their intended goals.
<b>\$ 2,500</b>	Complete a review and renewal of the Municipality's Physical Activity Strategy through public engagement and investments in local facilities, programs, and services.
<b>\$ 15,750</b>	Support and partner with Queens County Transit Society in the development and offering of a community transit system.
<b>\$ 5,500</b>	Support the current community ad hoc litter abatement committee through the development of a comprehensive strategy.
<b>\$ 5,000</b>	Facilitate the creation and operation of an equipment loan bank for all residents to access free of charge, including helmets, skates, skateboards, scooters, bicycles, snowshoes, sleds, etc.
<b>NO COST</b>	Development of a community enhancement plan for Privateer Park.
