

Job Description

Policy Analyst and Strategic Initiatives Coordinator

POSITION SYNOPSIS AND PURPOSE

(A position overview and how it aligns with corporate strategies)

The Policy Analyst and Strategic Initiatives Coordinator plays a key role in examining the effectiveness and relevance of existing policies and laying out the groundwork for new programs and legislation to meet the objectives and goals of Region of Queens Municipality. The main responsibility of the Policy Analyst and Strategic Initiatives Coordinator is to review existing policies, proposing suggestions to improve the effectiveness of each and drafting new policies across all departments. The Coordinator provides research, analysis and recommendations on matters of policy and strategy for all departments at Region of Queens Municipality.

The Policy Analyst and Strategic Initiatives Coordinator contributes to strategic and operational planning, reporting, trend monitoring and engagement with public service members. The Coordinator participates in the development of Region of Queens Municipality's performance management framework from a governance perspective, supporting government relations and policy review and leads special projects as required.
