

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

(1) No. 1 priority is a pool

(over)

+ plus zipline & climbing wall
are great ideas. (add a ~~big~~ huge slide)
make it a "destination" spot

(2) - value added for those tournaments
coming to town.

(3) - Support the Pool Society. / work with
them

What do you want Council to consider when contemplating the priority of a pool?

- Build it sooner rather than later.
- will bring people to the committee
 - value added trips.
- age of Milton pool
- added features zipline / climbing wall
- work in area schools for classes
- possible senior / minor level

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

- ① AFFIRMATIVE ! BUILD A POOL
1.1 POOL SHOULD BE OLYMPIC SIZE
SO INCOME POTENTIAL FOR SWIM
COMPETITIONS, MEETS, ETC.
- ② ~~INVOLVE~~ INVOLVE QUEENS SCHOOLS' STUDENTS
PART OF PHYS. ED. PROGRAM
- ③ SENIORS WANT POOL

What do you want Council to consider when contemplating the priority of a pool?

- ① TOP PRIORITY TO PARTICIPATE IN
AVAILABLE INFRASTRUCTURE FUNDING FROM
FED. GOV'T
- ② ~~DEAL WITH~~ GET RAILS TO TRAILS RAILWAY BRIDGE
OVER MERSEY OPEN ASAP.

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

Yes - we need it.

What do you want Council to consider when contemplating the priority of a pool?

Make sure that it is one that serves all needs. And is the regulation size for ^{Swim} competitions. (olympic) 6 lanes.

- Physiotherapy - the pool could be used to support recovery and ~~the~~ rehabilitation

- children, students, seniors involved in programs in pool. es. to water safety. current takes classes in B'water.

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

Efficiency in getting information together so that
Queens is ~~eligible for~~ best placed for outside
funding - Federal Infrastructure \$
- Innovative & sustainable bldg
- a Green project.

Share the search and results with the public.

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

Yes. pool # 1 priority

What do you want Council to consider when contemplating the priority of a pool?

Energy efficient construction.
As green as possible: solar water
heating etc.

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

POOL

- it's been 30 years
already

What do you want Council to consider when contemplating the priority of a pool?

- All Three schools would put it to use
- Cost of operating Milton pool could be transferred to the new one
- Lots of ~~\$/\$~~ has already be spent on studies

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

yes

What do you want Council to consider when contemplating the priority of a pool?

STOP Studying & START ACTING
SAVE ON MAINTENANCE Milton Box
CONCENTRATE ON

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

Stop saying this, it is very misleading

we have beautiful beaches, use them
aquatic training, drown proofing... use white point
in the winter (Bestwestern) and beaches in
the summer

What do you want Council to consider when contemplating the priority of a pool?

tax rate implications
real numbers not fictions
cost estimates for
on-going operations

was not
- ~~not~~ feasible @ time of original build
~~financial~~ financial situation of Region of Queens
has not ~~at~~ improved

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

Yes it completes what we need in our community. Not sure what else we need really in our community but a pool.

Senior housing ^{is} imp.
does Region do this?

What do you want Council to consider when contemplating the priority of a pool?

Really need a ^{competitive} six lane pool and few extras to draw people to come and stop on the way ^{by}. Need to look at other small towns that have pools and how they balance the budgets. Or at least deal with deficit

□ Milton pool.
50 years old this year.

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

Please build the pool.
And it doesn't make much sense - that we want a pool however, don't want to pay anything for the use of it.
Don't be afraid of a few cents on our tax rate. Thank RD & good luck.

What do you want Council to consider when contemplating the priority of a pool?

Pool is #1 almost everything in regards to fitness is available just outside "your door."
Make the pool 6 lane-competitive size.
Slides are a must.

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

Yes, please build the pool
Open up Tresel Trail

What do you want Council to consider when contemplating the priority of a pool?

Do not make the same mistakes as they did in
Bridgewater (LCLC) 6 lanes & correct length for
competitions,
A. slide would also be a draw
Do not leave any age group out.

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

A pool is definitely a priority for Greens. It is an asset for all ages + will make QPEC more inclusive as it broadens the scope of what is possible here.

What do you want Council to consider when contemplating the priority of a pool?

- Cost shouldn't be the only factor. Need to weigh cost vs benefit. A pool completes QPEC
- Think outside the box. What will make a pool at QPEC a success.
- Consider all ages when determining a design
- 6 lanes open for competition
- Ramp
- Therapy pool.

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

- what other items are priority up against the pool
(what is being bumped)
- we want it if not bumping something else we want
like senior assisted living

What do you want Council to consider when contemplating the priority of a pool?

- if you build it make sure large enough for
competitions (minimum 6 lane)
- the Milton Pool is past it's prime, wearing out
need something to replace it
- Need infrastructure to retain + recruit residents

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

- need some real numbers and then ask this again

What do you want Council to consider when contemplating the priority of a pool?

I don't mind some deficit, a reasonable amount is okay.

→ Build it soon, before I get too old to use it.

→ has been studied enough, get some real numbers.

- I cannot state anymore because of metal knee
so a pool would be a good alternative exercise

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

~~yes~~ - a pool would be beneficial
to the entire community.

What do you want Council to consider when contemplating the priority of a pool?

- ① Uses - sports
 - general swim (all ages)
 - therapeutic → Hydrotherapy

↓

partnership with Physio-
therapists, Biomechanics,
yoga instructors
- ② Funding - lotteries, etc.
- ③ Water safety → recreational
fishermen

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

* Pool First but if not

Secondary Wants

- Bike Paths
- outside Climbing Walls
- Trail/Hiking
- Pave trail around emira Centre

8

What do you want Council to consider when contemplating the priority of a pool?

Plenty of Lap lanes & plenty of Lap hours

Suana would be great!

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

Yes, we should build a pool.

What do you want Council to consider when contemplating the priority of a pool?

Needs to be

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

Definitely build a pool.

- People will pay for use of the pool. even though they say they won't.
- Family passes for money.

What do you want Council to consider when contemplating the priority of a pool?

- Incorporate a Sauna in Pool area.
- Climbing wall + Zip-line. - Great concept
- * Swim tournament Size Pool International Size 25 meters x 12 meters
- A lift to assist people with disabilities in + out of pool.
- Could be used for scuba training, kayak training, training for fishers who use survival suits.
- * Therapy pool for all ages.
- Swim lessons.
- Lots of Classes - AquaFit
- * would be good for schools to incorporate into their phys ed. programs.

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

D

What do you want Council to consider when contemplating the priority of a pool?

Sauna to be included in a pool? Scientific evidence of Health benefits to Sauna.

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

Yes we should ✓

What do you want Council to consider when contemplating the priority of a pool?

Sauna ✓

25m x 12m = 2 1/2 c

Assuming no impact to tax rate, but need to choose a priority, should we build a pool? Or what is your priority?

YES!

What do you want Council to consider when contemplating the priority of a pool?

- Affordable
- Accessable
- Helps to recruit new people to our community
- Helps keep people in our community — if leave to swim there — ~~there~~ shop, eat, ... there as well.
- Helps people learn — water safety (surrounded by water) — swim, kayak,
- Exercise — those who can't skate, use skate board park

Please leave sheet for collection. Comments will be collated and reported to Council
