

## **MRF SORTER - RQM SOLID WASTE MANAGEMENT FACILITY FULL TIME POSITION**

Region of Queens Municipality's Public Works Department is seeking applications from energetic, reliable, and self-motivated individuals to join our team at the Region of Queens Solid Waste Management Facility as a **MRF Sorter** (full time position).

As a MRF sorter, you are responsible for the separating and sorting of recyclable materials, operating balers, and related work activities as required. You will assist in the overall operation of the Materials Recovery Facility located at 3750 Highway 8.

### **The ideal candidate will:**

- Be physically capable of working in various indoor and outdoor conditions.
- Have the capacity to lift up to 50 lbs.
- Have or be willing to obtain First Aid, CPR, and WHIMS certificates.
- Have the ability to work well within a team environment.
- Willing to participate in training opportunities when requested to do so.

The hourly rate for this position is \$17.46. We thank all applicants for their interest; however, we will only contact those selected for an interview. Application forms can be found at
