3.0 PLANNING

3.1 Vending Bylaw

Mike MacLeod, Planner, provided background on the Vending Bylaw. He stated the current Vending Bylaw was approved by Council in 2014 with amendments made for vending around QPEC. In June, 2016, concern was expressed to the Municipality respecting the number of mobile food trucks on, or in the vicinity of, the Liverpool Waterfront area. There were concerns raised from some restaurant owners that these food trucks had a competitive advantage being able to locate on the waterfront prime areas with high traffic. Some other concerns raised were the utilization of prime parking locations on the waterfront, noise from running generators and minimal fee structure for vending permits.

Staff was requested to review the current Vending Bylaw and to look at amendments in an effort to satisfy the concerns. Prior to 2016, there had been no issues with the food vending trucks, but not in the numbers that were vending last year. There were 3 applications received, compared to one in previous years. Looking for locations for the large number of mobile trucks became a challenge and safety concern.

There is a consensus that the current fee structure for a vending permit ($10.00) is not appropriate and a review of other municipalities in the vicinity of RQM reveals annual permit fees ranging from $100.00 to $250.00 per annum.

The former Legion property was acquired by RQM last year and given the number of vending mobile units, staff requested that they utilize this site for their operations. All three vendors used this site for the remainder of the summer, but had indicated their preference would be to be located between the bridge and the Liverpool Visitor Information Center. Staff does not feel that this area can safely accommodate the vendors without negatively impacting parking and traffic.

He then reviewed some proposed amendments to the proposed new Vending Bylaw:

- Added definitions for better clarity;
- Added Categories of Vendors for clarification;
- Added sections 5. a) and 5 b) - hours of operation under General Regulations;
- Added sections 5. j) and 5 k) under General Regulations;
- Added sections vi and vii under 5. m) – when vending from a stand on the sidewalk under General Regulations;
- Added new section 5. n) – when vending from a mobile canteen under General Regulations; and
- Fees section totally revised.

Additional amendments were also suggested including:

- Include copy of Application Form;
- Open vending area for mobile canteen only applies to vending on the Liverpool Waterfront.

- Requirement for copy of Provincial Food Establishment Permit as part of application.

Through discussions, Councillors provided reasons why they agreed or did not agree with the proposed changes to the Vending Bylaw, some of which included:

- Plenty of parking areas available across from VIC;
- Electrical hookup could be available at both locations, and could increase capacity for other events;
- Mobile vending trucks offer alternative to eating in;
- Agree with new fee structure;
- Investigate locations on other municipally owned property; and
- Mobile trucks have difficulty maneuvering into parking lot at Legion location.

Councillors can provide their opinions in writing to Mr. MacLeod by the week's end for consideration for inclusion in re-drafting the bylaw amendments.

4.0 IN CAMERA

It was moved by Councillor Muise and seconded by Councillor Fiske that the proceedings go "In-Camera" at 11:25 a.m. to discuss the following:

4.1 Contract Negotiations, MGA 22(2)e
4.2 Contract Negotiations, MGA 22(2)e

MOTION CARRIED unanimously.

Council recessed for 10 minutes at 11:25 a.m.

Councillor Fralic and Deputy Mayor MacLeod declared a Conflict of Interest and left Council Chambers at 11:45.

It was moved by Councillor Muise and seconded by Councillor Johnson that the proceedings exit the "In-Camera" session at 12:07 p.m.

MOTION CARRIED unanimously.

Councillor Fralic and Deputy Mayor MacLeod returned to Council Chambers at 12:07 p.m.

4.1 It was moved by Councillor Kelly and seconded by Deputy Mayor MacLeod that the Fee Schedule – Town Hall Arts and Cultural Centre be added to the March 28, 2017 Regular Council agenda.
