

PLANNING AND DEVELOPMENT TECHNICIAN

Region of Queens Municipality is currently seeking applications from energetic, detail-oriented and dynamic individuals interested in joining our team as a **Planning and Development Technician**.

As Planning and Development Technician, you would be responsible for administration of the Region's Geographic Information System, administration of the Region's civic addressing system, data acquisition using GPS and database management. A detailed job description is available by contacting the undersigned.

The Ideal Candidate will have:

- Minimum of two (2) years' experience in a municipal planning environment;
- University degree or technician diploma in Planning and/or Geographic Information System, or an equivalent combination of both;
- Advanced training and experience in GIS (**MapInfo**) software and GPS (**Pathfinder Office**) software;
- Excellent oral and written communication skills;
- A valid driver's license.

With a strong focus on work-life balance, Region of Queens Municipality offers a competitive benefits package, Registered Pension Plan, diverse career opportunities, modern facilities, and an innovative, continuous improvement culture.

The salary range for this position is \$44,451 - \$54,030, determined by education and experience. We thank all applicants for their interest; however, we will only contact those selected for an interview. To apply, please submit a detailed cover letter, resume, and three (3) professional references to the undersigned:
